What is it?

42 Learning Classes - 2026 is a 2026 program in which each of the 42 language pairs offered on Linguapick is a class. Every class has 10 seats (420 in total). Example: "Turkish → Learning German".

How to join

- Sign up and log in to Linguapick as a temporary user.
- In your panel, click "42 Learning Classes -2026 — Join a Class".
- Pick your class from the list. (Kalan 8) means 8 seats left; (Dolu) means the class is full.
- Confirm "You are about to enroll in this class, OK?" — you are then enrolled.

Rules

- Each user can enroll in only 1 class; it cannot be changed afterwards.
- Temporary users who join a class can use Linguapick until 23:59 on 31 December 2026.
- When all 42 classes are full (420 people), the join button is removed.
- Ranking is based on the number of words learned during 2026.
- Members who learn 10 words or fewer in the first 3 days after joining are automatically removed from the class, and their seat becomes available again. They cannot rejoin a class.
- Teachers who wish can fill classes with their own students.
- Early enrollees will have an advantage in terms of time: they get more days to learn words and climb the ranking.

PRIZE: as of 31 December 2026, the top 5 in each class win a free 1-year membership for 2027 (01.01.2027 – 31.12.2027).

42 Learning Classes -2026 Program - GRATIS

Svenska

Lär dig ett språk med Linguapick 2026 — de fem bästa i varje klass vinner ett gratis medlemskap under hela 2027.

Vad är det?

42 Learning Classes - 2026 är ett program för 2026 där vart och ett av de 42 språkpar som Linguapick erbjuder är en klass. Varje klass har 10 platser (420 totalt). Exempel: "Turkish → Learning German".

Så här går du med

- Registrera dig och logga in på Linguapick som tillfällig användare.
- Klicka på "42 Learning Classes -2026 — Gå med i en klass" i din panel.
- Välj din klass i listan. (Kalan 8) = 8 platser kvar; (Dolu) = klassen är full.
- Bekräfta "Du kommer att anmäla dig till den här klassen, okej?" — sedan är du anmäld.

Regler

- Varje användare kan bara anmäla sig till 1 klass; den kan inte ändras efteråt.
- Tillfälliga användare som går med i en klass kan använda Linguapick till 31 december 2026 kl. 23:59.
- När alla 42 klasser är fulla (420 personer) tas knappen för att gå med bort.
- Rankingen baseras på antalet ord som lärts in under 2026.
- Medlemmar som lär sig 10 ord eller färre under de första 3 dagarna efter att de gått med tas automatiskt bort från klassen och platsen blir ledig igen. De kan inte gå med i en klass igen.
- Lärare som vill kan fylla klasser med sina elever.
- De som anmäler sig tidigt får en tidsmässig fördel: fler dagar att lära sig ord och klättra i rankingen.

PRIS: per den 31 december 2026 vinner de fem bästa i varje klass ett gratis 1-årsmedlemskap för 2027 (01.01.2027 – 31.12.2027).
